 - (c) Escrow4all has received a written notification from the provider of Hosting Services in respect of the Product that the provider of Hosting Services is entitled to dissolve or otherwise terminate the agreement it concluded with Dialog due to a circumstance that is attributable to Dialog.

Request procedure

- 7.2 If, in Beneficiary's opinion, a circumstance as described in Clause 7.1(a) or (b) has occurred and it, in view of this circumstance, wishes Escrow4all to perform the Continuity Plan, it will so notify both Dialog and Escrow4all, by registered letter with acknowledgement of receipt, describing the circumstance in question. The letter should be signed by an authorised officer of Beneficiary and should be submitted together with any accompanying documents in Beneficiary's possession that support its analysis.

In case of a request in accordance with Clause 7.1(a) Beneficiary will also declare, in writing, that the occurrence of the circumstance is not the result of defects and/or shortcomings of Beneficiary and/or its supplier in network, telecommunication and related services which are essential for use of the Product.

If Dialog involves the Foundation for ICT Dispute Resolution, this will not suspend the performance of the Continuity Plan. If the Foundation for ICT Dispute Resolution rules that the grounds advanced do not justify the request for performance, the performance of the Continuity Plan will be halted immediately and Beneficiary shall cease its use of any information obtained forthwith and destroy the relevant information as well as any copies thereof. In addition, Beneficiary will owe Dialog an immediately due and payable penalty, without any warning or notice of default being required, of € 15,000 (in words: fifteen thousand euros), without prejudice to the other rights vested in Dialog, including the right to claim damages.

- 7.5 The performance of the Continuity Plan may be halted at all times if it has been reasonably demonstrated that Dialog will perform/resume its obligations under the SaaS Agreement and Beneficiary has agreed in writing to such performance being halted. In that event, Beneficiary will discontinue its use of any information obtained forthwith and destroy the relevant information as well as any copies thereof.

- 7.6 If the performance of the Continuity Plan is halted in accordance with Clause 7.4 or 7.5 above, the Continuity Plan laid down in the present Clause will again take full effect and may again be invoked by Beneficiary in appropriate cases.

- 7.7 In the event of any abuse by Dialog or Beneficiary of the Continuity Plan, which includes any unjustified request for performance thereof, Escrow4all will be entitled to recover any costs incurred by it in connection with the performance of the Continuity Plan from the relevant party.

Following a request for performance

- 7.8 The date of Escrow4all's receipt of a written notification from the provider of Hosting Services in accordance with Clause 7.1 above or a request from Beneficiary in accordance with Clause 7.2 above will be presumed to be the effective date of the Continuity Plan's performance, hereafter referred to as 'the Effective Date'.
- 7.9 Under the Continuity Plan, Beneficiary will be entitled to:
- (a) the continuation of the Hosting Services required for the use of the Product, starting on the Effective Date and running for the period specified in Annex III 'Agreement Continuation Hosting Services';
 - (b) an investigation by Escrow4all into the cause, nature and scope of the problems that have arisen in the Product or its use and/or the problems that have arisen at Dialog. Escrow4all will notify Dialog and Beneficiary within ten days of the Effective Date of its findings and, where appropriate, of possible solutions and the corresponding costs required to enable the resumption of the Product's use in the shortest possible term;
 - (c) at Beneficiary's request, technical support by Escrow4all for purposes of rendering the Product operational and/or the Product's use. Escrow4all will charge the costs of this support to Beneficiary on the basis of actual costing, in accordance with its standard rates at that time.
- 7.10 Dialog undertakes in advance to extend full cooperation to Escrow4all for purposes of any investigation to be performed by Escrow4all in accordance with Clause 7.9.

Clause 8 – Release of Material

Grounds for release

- 8.1 Provided that the parties have agreed on the deposit of Material and Beneficiary has a valid right of use in respect of the Product, Beneficiary will be entitled to the release of the Material if:
- (a) at least 21 days have elapsed since the Effective Date as referred to in Clause 7.8 without the performance of the Continuity Plan being halted in accordance with Clause 7.4 or 7.5;

 - (e) Dialog is unable for at least 120 days to perform its obligations under the SaaS Agreement or the Agreement as the result of a situation of *force majeure*;

and

The letter should be signed by an authorised officer of Beneficiary and should be submitted together with any accompanying documents in Beneficiary's possession that support its analysis.

- 8.3 Upon receipt of such notice as set out under Clause 8.2 above Escrow4all shall within 3 days notify Dialog by registered letter with acknowledgement of receipt that a request for release of Material has been received.

- 8.5 If Dialog does not object to the release within fourteen days or if it is not entitled to object for reasons as referred to in Clause 8.4, Beneficiary's right to the release of the Material will have been established.
- 8.6 If Dialog does not object to the release, it will so notify Escrow4all in writing as soon as possible, so that it will not be necessary to await the expiry of the above-mentioned 14 day period.
- 8.7 If Dialog objects, within the term set for that purpose in Clause 8.4, against release of Material as requested by Beneficiary, Dialog and Beneficiary will submit the question whether Beneficiary is entitled to such delivery to the Foundation for ICT Dispute Resolution (*Stichting Geschillenoplossing Organisatie en Automatisering*), hereafter referred to as 'the Foundation', established in Haarlem, the Netherlands, for a ruling in arbitral preliminary relief proceedings [*Arbitraal Kort Geding*] in accordance with the Foundation's Arbitration Regulations.
